8x156x1380mm  
1.7222m<sup>2</sup> per pack

There's no easier way to add some contemporary charm to your home than with our durable, design led, cost effective range of laminate flooring. Choose from eight timber effect designs to transform your home quickly and easily.

Elka's laminate range is of superior quality and is readily available. Designed to look great and last the distance, we apply strict standards to each board, ensuring maximum strength and a flawless, warp-free finish that makes it look every bit as beautiful as a natural wood floor.

The v-groove technology is an advanced bevel edging which helps to create a look that reflects the natural qualities of wood flooring.

The range features the unparalleled and technically superior Uniclic<sup>®</sup> system. Its glue-free installation process makes it fast and easy to lay or re-lay anywhere, meaning you can even take it with you if you move house. Each board locks together securely, ensuring a seamless joint that won't allow dust or dirt to gather. With the lifetime warranty on the Uniclic<sup>®</sup> system, it means you can enjoy a quality finish for years to come.

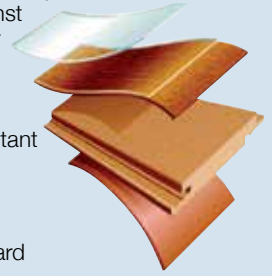

## STRUCTURAL COMPOSITION OF A LAMINATE BOARD

Transparent overlay protects against wear and tear

Design layer

HDF board  
Moisture resistant  
High Density  
Fibre board

Barrier layer  
Balancing board
